The Arizona Department of Juvenile Corrections (ADJC) regulates the collection and delivery of intra-agency, inter-agency, and the US Postal Mail.

Written policy, procedures, and practice provide that the juvenile's mail both incoming and outgoing, may be opened and inspected for contraband. When based on legitimate facility interest of order and security, mail may be read, censored, or rejected. The juvenile shall be notified when incoming or outgoing letters are withheld in part or in full.
